**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner that appreciates my locally owned and operated ISP. If they are unable to use the existing infrastructure, there will be no competitive price check on the big telecoms and they will increase internet cost for small business owners and consumers.
